Course Notes: Next Space

My notes from following the Full Next 13 course by Fireship.

Frontend

Authentication

- Prisma <> Open SSL not working
 - Issue: <https://ask.replit.com/t/openssl-install-not-working/32678>
 - Fix: <https://ask.replit.com/t/prisma-for-replit/22821/4>
- Next Auth empty email issue
 - Resolved by using findFirst instead of findUnique
- Prisma <> GLIBC issue
 - resolved by removing the Fix for open ssl when running commands for prisma
- JWT error
 - Resolved by fixing a missing parameter of authoptions to getSession() call
